Tim Jones

Looking back over the past year's events, it has been interesting. We have had some ups and downs, but all in all it has been successful. Most of our events have started slow, but then our Marines have come through with flying colors. As usual, there is core group that has kept the detachment going, but that group is getting larger. Little by little more volunteers are helping out with detachment activities. Thanks for your support and keep up the good work.

Congratulations to Kelly Williams on his election as Commandant and to all

the newly elected officers. Continue to support them so our detachment can carry on the traditions of the USMC.
